Silver Creek Seniors Hall  
March 2019 Newsletter

Hello everyone.....

Is spring ever going to arrive? I don't think I'm the only one asking this question! As cold as it has been, I still hear some birds singing in the early mornings.

Even though the weather has been cold out, we at the Seniors Hall still have been keeping busy.

All of our weekly programs are ongoing, along with a few upcoming projects we are working on. Here are a few I want to tell you about.

Membership: As I was working on our membership drive I realized after talking with a few people that some were not clear on who can become a member or at what age. So I would like to take a couple of points out of our Seniors Constitution and Bylaws for you to consider. If this fits you, please let myself or Donna know that you wish to become a member. Remember it is only \$5.00 per year. Thank you.

Item 28. (1) Voting membership in the Association shall be open to all persons who support the aims of the organization and who are 50 years of age and over.

(2) Non voting membership shall be open to persons who support the aims of the organization and who are under the age of 50 years.

So as some of you have said "Oh, I can't be a member, I'm not old enough". There you go, you can become a member at any age. Did you know we have some members as young as 18 years old, they just can't vote.

We still have our piano and we would like to give it away, so if you are interested or know anyone who might be interested or have room for one please call Donna, her number is on our calendar. The dimensions of the piano are; 59"L x 30"W x 56"H.

As I mentioned before, we would like to replace the flooring in our hall so Donna applied for a Grant In Aid; we did not get that grant so she has applied for a different grant through the CSRD so here's hoping we hear about that grant so we can redo our floors.

We are working on getting the hall repainted. We have 3 quotes in but before we decide to move ahead on this project we need to vote on this with a quorum. This is where we need you as a voting member to please attend our next meeting on March 20th to make a motion and vote on painting the hall and picking a contractor for this project. I urge you to please come out to our next meeting.

Not too late to get your last minute dinner tickets .... Our annual Roast Beef dinner is today, Saturday, March 2nd. Tickets are available at the hall and the Silver Creek Store. Tickets are \$15. for adults, \$7.50 for children 12-6 years old and 5 and under are free. We have two beautiful quilts to raffle, a 50/50 draw and lots of door prizes.

Again just a reminder...  is always Wednesday mornings from 10 – 11 a.m., we have such a nice group coming out, please come join us.

Our weekly afternoon crib is in full swing Thursday afternoons. Friday nights we are still playing canasta and we have had a couple of Friday nights playing Mexican Train. We will keep this game available on Friday night, so if you want a night out to play either canasta or Mexican Train feel free to pop by.

Quilting and crafts meets every other Mondays, this month we will start off on March 4th.

I'm not sure when our next Foot Care will be as it may run into Easter, but be sure to call Helen to book your next appointment.

You can also find out what is happening in our community by going onto Facebook and search **Silver Creek Forum** or **Silver Creek Community Association**, or go to [silvercreekbc.ca](http://silvercreekbc.ca) Bill Bain does such a nice job of keeping this web page up to date. Thank you Bill.

Don't forget we move our clocks forward March 10th!
